CHAPTER DUES SET-UP CHANGED

For some time it has been felt that members joining chapters late in the fiscal year did not get maximum benefit from their membership. There has been a half year provision made but most chapters did not take advantage of this provision.

Article II, Section II of the by-laws has been changed to read: "Dues of Chapter Members shall be $3.00 per year for an individual member or $5.00 per year for a family unit of two persons with a single address. Term of membership shall be one year from the first day of the closest calendar quarter on the date dues are paid."

Chapter dues only were changed. The following schedule will explain the effect of this change.

Dues Paid During	Membership Starts
Nov. 16th thru Feb. 15th	January 1st
Feb. 16th thru May 15th	April 1st
May 16th thru Aug. 15th	July 1st
Aug. 16th thru Nov. 15th	October 1st

Dues for members-at-large cover a one year period from the date paid.

Forms for reporting dues by the chapters will be furnished by the treasurer's or the executive secretary's office.
